

Pope Francis Action Team

Minutes: 18th October 2023

The Pope Francis Action Team have made a good start to actively taking part in Litter Picking on Church Avenue. Residents are impressed with the children's efforts and thanked them for their support. Year 5 and Year 6 have taken the lead over the last few weeks and over the next half term other children will get more involved.

- The Pope Francis Action Team have introduced a record sheet of recycling collections for each class.

- Following the success of the Litter Picking and Paper/Food recycling projects the Pope Francis Action Team will be launching a Saving Energy Project. The team have created a tally chart for each class to record the number of times they save energy in and around the school. Class Pope Francis representatives speak to the whole class and answer any questions.

- Pope Francis Action Team to analysis the weekly recordings and perhaps award a Laudato Si Award in the future.
