Dear Aaron and Lyiana,

Improvements to the Playground

First of all, I wish to thank you for the time you took to write to me regarding your concerns and ideas for the seating area located at the bottom end of the playground. I was impressed that you took the time to speak to the pupils and gain their ideas and I would like you to pass on my thanks to all the children for expressing their concerns, especially when the ground is wet and muddy.

After reading your letter and seeing the photographs, I decided to take a walk to the area with Mr Parillon, the Site Manager, Mrs Debono and Mrs Dhak. We agree with your findings and would like to improve the area with some of the ideas that you both put forward. The Senior Leadership Team will discuss this further.

We would like to invite you to our Senior Leadership Team so that we can put a proposal in place with you. Once the proposal has been discussed you will be able to put this onto your Pope Francis Team Agenda for discussion and agreement.

Hopefully we will be able to make the improvements to the area so that the children can enjoy the area. I believe that this will make lunch times even more pleasing for the children of the school.

Please could you speak to Mrs Dhak and ask her to arrange a time for you both to meet with the Senior Leadership Team?

I am looking forward to meeting with you soon.

Yours sincerely,

Dcn T Pereira
