Key dates

Monday 1 September 2025 – application process opens
You will be able to apply on the eadmissions portal: www.eadmissions.org.uk.
Paper applications will be available from the Ealing admissions service on request.

September to October 2025 – high school open day events
You should attend the open day events for your preferred schools. Please see details on page 2 for high schools in the borough of Ealing. For schools outside the borough please check the council website where the school is located.

Friday 24 October 2025 – recommended submission date
If you are making a paper application you are advised to submit this to your child's primary school by 24 October. Primary schools will be closed for half term from Monday 27 October to Friday 31 October 2025.

Friday 31 October 2025 – closing date for applications
If you apply online, you will have up until 11.59pm on 31 October to submit your application. If you are applying on a paper application form you will need to ensure this is received by the admissions service by 31 October.

Monday 8 December 2025 – deadline for late applications
If you apply after the 31 October but before the 8 December and have recently moved or have exceptional circumstances for applying late you must contact the school admissions service to see if your application can be on-time.

Monday 2 March 2026 – high school national offer day
If you apply on-time on the eadmisisons portal, you will receive an email between 5pm and 10pm with your school offer. If you made an on-time paper application your offer letter will be posted to you, first class.

Monday 16 March 2026 – deadline to respond to offer
After this date, the eadmisisons portal will close and you will not be able to accept or decline your offer online. If you do not respond the offer may be withdrawn and offered to another child.

Applying for high school

Coordinated admissions

Children in year 6 will transfer from primary to high school in September 2026. The coordinated admissions process means that applications are processed, and offers are made by the borough where you live. You can apply for up to 6 high schools in or outside the borough of Ealing. Independent (fee paying) schools are not part of coordinated admissions, if you wish to apply for independent schools you will need to contact them directly.

Your application must be made by the closing date, 31 October 2025, for it to be on time. Offers are made to children with an on-time application on national offer day, 2 March 2026.

You will need to list the schools you are applying for in preference order. The school you want most should be your first preference. This is important as your child is offered a place at the highest preference possible and withdrawn from your lower preference schools.

Schools cannot see where you have listed them, and the preference order is not part of the admissions criteria. For example, if you list a school as your first preference you will not have priority over children that have listed the school as a lower preference.

You cannot make any changes to your preference order or the schools you are applying for after the closing date, until offers have been made on national offer day.

Deciding on your preference schools

Each year parents are disappointed because they are not offered a place at the schools they apply for. It is important that you understand how places are offered and the chances of your child getting a place at your preference schools before you apply.

Make sure you have read and understand how schools offer places by reading their admissions criteria on pages 16 to 50. Look at the criteria and distance of the last child to be offered a place in the previous year. If you are a lower criteria, or the same but live much further away than the last child to be offered in the previous year it is unlikely that your child will get a place at that school.

You should use at least one of your preferences to apply for a high school where you are either a higher criteria or the same but live much closer to the school than the last child to be offered a place in the previous year. The distance you live from the school is used by most schools in their admissions criteria, but living close to a school does not guarantee a place if there are other children who rank higher in the criteria or live nearer.

Late applications

If you apply after the closing date, but before the 8 December 2025, please contact the school admissions service as your application can be agreed as on time if any of the following apply:

- you have recently moved
- you have proof that an application was made before the closing date
- you have exceptional circumstances for lateness, evidence will need to be provided

Late applications cannot be processed until after national offer day. If your application is late, most schools will have offered all their places to children that applied on time.

Applying for high school

Application address

You must apply from the address where you live, you cannot apply using a future address, with the exception of UK service personnel (armed forces) and crown servants who have a confirmed posting to the area. All school admission applications are subject to address checks to ensure school places are given fairly. These checks may be made using council systems, agencies, fraud departments, other education settings, or other resources available to us. You do not need to provide proof of your address with your application but may be asked to provide evidence to support the application after addresses have been checked.

It is for the borough where you live to determine if, on the balance of probability, the address given on an application is where your child normally lives or is misleading for the purposes of gaining a school place. Examples of circumstances where an address may be considered misleading are as follows:

- using the address of a relative, friend, childminder, or business
- using the address of a parent with whom the child spends the minority of the week
- purchasing a new property, renting accommodation, or moving in with a friend or relative and using this address, whilst continuing to own or rent an alternative property
- owning a property which is or has previously been used as your home address and applying from another address whist still retaining ownership of the initial property
- use of a local address whilst the child lives overseas

The following factors will be considered alongside any evidence seen during the address checking process:

- the preference schools and if they are oversubscribed
- if the address being used gains an advantage in the admissions process
- the distance of the properties to the preference schools
- the length of time the arrangement has been in place
- current education providers and services working with the family

If your child lives elsewhere, for example with a relative, you must provide satisfactory evidence that confirms the child does not live with you either full-time or the majority of the year. Examples of satisfactory evidence are a court order or a letter from a social worker. If you cannot provide satisfactory evidence, the address of the adult or adults with legal responsibility for the child must be used for the application.

If you have shared custody and your child is residing with one parent the majority of the time or on a permanent basis, the address of this parent must be used.

If your child lives with each parent for half of the calendar year you must decide which address will be used for the application. After submitting your application, you cannot change which parents' address is used until after the start of the academic year, 1 September.

If an incorrect, fraudulent, or misleading address is found to have been used Ealing council will determine what address is to be used based on the evidence found in the investigation. Where this address or preference schools fall within another borough, they may be consulted in the decision. The application may be cancelled, and any offer made on the basis of the address will be withdrawn. This may be the case even if your child has started at the school.

Applying for high school

Moving address within the borough of Ealing

If you move before the closing date, your new address must be used for your application. You can change your online application up to 31 October 2025 or inform the admissions service. If you were not living at the address in your application on the closing date it may be cancelled, and any school offer withdrawn.

If you move after the closing date, you do not need to update your application address and will be entitled to keep the place at the school offered on national offer day if you wish.

If you move after the closing date and before 12 December 2025 you can choose to update your address and make new preferences if you wish. You must inform the admissions service and be living in the property by 12 December 2025 for the new address and preferences to be updated for offers made on national offer day.

The deadline to inform the admissions service of your new address and preferences is 8 December 2025, no changes can be made after this date for offers on national offer day.

Moving address outside the borough of Ealing

If you are moving out of or into the borough of Ealing after having made an application, please contact the admissions service for advice.

Applying for children outside their normal age group

The decision on whether to accept an application outside of a child's normal age group is made by the admission authority of the school that you are applying to. This will be the council for community schools and the governing body or academy trust for all other schools in the borough.

If you are applying for a child outside their normal age group, you must request this in writing with your application before the closing date, 31 October 2025, for your application to be on time.

You will need to give the reasons why you feel it is in your child's best interests to be educated outside their normal age group and provide supporting evidence with your request. For example, reports or letters from their current school, medical reports or professional recommendations.

This information will be sent to the admission authority for the school(s) that you have applied to. If your request is agreed your application will be treated the same as all other applications to the school. You will not be given higher or lower priority on the basis that the child is applying out of their normal age group. If your request is refused your application to the school will be withdrawn.

If you are applying to more than one school and they have different admissions authorities, it is possible that your application will be agreed for some schools and not for others.

Your right of appeal does not apply if you are offered a place at the school but not in your preferred year group. There is no right to appeal the decision on which year group you can apply for.

Applying for high school

Myth busters

We know that the application process can be confusing, the below facts address the most common errors that parents make when applying for high school.

Myth: Making my application as soon as the system opens means I will have a more chance of getting my preferred school.
Fact: School places are not offered on a first come, first served basis. All applications received by the closing date will be offered based on the admission criteria of the school and not by date order.

Myth: It will not matter if I miss the application deadline.
Fact: Applications submitted after the closing date will not be processed until after all those that applied on-time have been offered a place. If your preferred schools are already full of on-time applicants, you may be offered a school some distance away.

Myth: Listing only one school preference will give me a better chance of getting that school.
Fact: Listing only one school does not give you a better chance. Your child will be ranked against the school's admissions criteria, which is the same if you list one or six schools on your application. If there are more children who are ranked higher against the school's admissions criteria than places available, you will not get an offer.

Myth: Listing a school higher in my preference order will give me priority.
Fact: Schools cannot see where you have listed them, your child will be ranked against the school's admissions criteria, which is the same if you list the school as your first or sixth preference. If you list a school as your first preference you will not have priority over children that have the listed the school as a lower preference.

Myth: I must be offered one of the preference schools I list on my application.
Fact: Your child will be ranked against the admissions criteria for each school on your application. If there are more children who are ranked higher against the school's admissions criteria than places available for each school on your list, you will not get an offer for any of your preferred schools.

Myth: If I don't get a place at my preferred schools, I will be offered my nearest school anyway.
Fact: If you do not get a place at a preferred school, you will be given the nearest school to you with a space available. Parents who do express a preference for a school take priority. If your nearest schools are full after everyone that applied has been offered, you could be offered a school some distance away from your home address.

Myth: Living near to a school will guarantee that I get a place.
Fact: Most schools do offer priority based on distance from the school to your home address, but this does not guarantee a place. If there are more children who are ranked higher against the school's admissions criteria than places available, you will not get an offer.

Myth: My child has a sibling already at the school so will automatically get a place.
Fact: Each child's school place must be applied for, there is no automatic offer based on having a sibling at the same school. Many schools do offer priority to siblings, but this does not guarantee a place. How a school prioritises siblings is defined in their admissions criteria.

How to apply

If your child was born between 1 September 2014 and 31 August 2015, you can apply online for a high school place from 1 September 2025. If you are applying for a child outside their normal age group, you will need to contact the admissions service before you can apply online.

Make your application

You must be the child's parent or legal guardian to make an application. To apply you will need to register on the eadmissions website: www.eadmissions.org.uk

Once you have created your account you will be sent an email with a username and a password. Please keep these details safe as you will need them to view or change your application up to the closing date, 31 October 2025, and to view the outcome on national offer day, 2 March 2026.

If you change your email address after submitting your application, you must update your eadmissions account to ensure you receive your offer by email.

When you submit your application, it will automatically be sent to your home local authority based on your address. You will receive an automated email with a unique 16-digit application reference number that will look like this: 307-2026-09-E-123456. If you do not get an email with a reference number, you have not completed the application.

You can find the full guide to applying online on our website: www.ealing.gov.uk/admissions

Application details

Child's details: provide the name as it appears on their birth certificate, do not use shortened names or nicknames.

Current school: You must provide the name of your child's current school even if this is private or outside the borough of Ealing. If your child changes primary school after you have applied please inform the admissions service.

Looked after or previously looked after children: If your child is looked after (in care) or immediately after being looked after became subject to adoption, a child arrangement order, or special guardianship order you must confirm this on the application. You will also need to provide a letter from the child's social worker.

If your child was in state care outside of England and ceased to be as a result of being adopted, you will need to provide proof of adoption with evidence that they were in state care.

Children with an Education Health and Care Plan: If your child has an Education Health and Care Plan you do not apply through coordinated admissions. If an application is received it will be withdrawn, and you will be advised to contact the special educational services for advice.

UK service personnel (armed forces) and crown servants: Your application must be accompanied by an official letter that confirms a relocation date and address if you are not yet living at the address on your application.

How to apply

Preferences:You may list up to six high schools in or outside the borough of Ealing. It is important that you list your schools in the order of your preference. Your first preference should be the school you want the most with the one you want least as your last preference. The order in which you list schools on your application does not affect your chances of being offered a place at any of them. However, if you are eligible for more than one school, you will be offered the one you ranked highest, and your lower-ranked preferences will be withdrawn.

Siblings: If your child has brother or sister attending the school you are applying for you must confirm this in the application and provide their details for consideration against sibling criteria. If there is more than one sibling attending the school, please give details of the youngest child attending the school. Check the school's sibling criteria to see if your child is eligible for sibling priority.

Exceptional medical or social circumstances: You will need to read the school's admissions criteria to see if they give any priority to children with exceptional medical or social circumstances and if so, what evidence is required. If there are no exceptional medical or social criteria, you cannot be given any priority based on your circumstances.

Supplementary information forms: If you are applying to any faith schools you may be required to complete a supplementary information form. Please check the admissions criteria of the school for details.

Required documents

Once you have submitted your online application, you will be able to attach documents. Please make sure that you attach the required documents before the closing date. You do not need to provide proof of your address with your application.

Proof of date of birth: you will need to provide proof of your child's date of birth with your application, for example a birth certificate.

Proof of parental responsibility: If you are not the mother or father of the child you are applying for you will need to provide proof that you are their legal guardian, for example a court order.

Proof for a looked after or previously looked after child: If you are applying for a child that is looked after (in care) or was looked after immediately before adoption, a child arrangement order, or special guardianship order, you will need to provide a letter from their social worker to confirm this.

Proof for a child in state care outside of England prior to adoption: If your child is adopted and was in state care outside of England you will need to provide proof of adoption with evidence that they were in state care prior to adoption.

Proof of exceptional medical or social circumstances: If you are applying under exceptional medical or social circumstances you will need to attach the proof required under the school's admissions criteria. Please note that any documents provided for a school that does not award priority under these criteria cannot be taken into consideration.

High school offers

National offer day

Provided that your application was received by the closing date, 31 October 2025:

- if you apply online, you will receive your school offer by email from eadmisisons after 5pm on 2 March 2026
- if you apply by paper application your offer letter will be sent by first class post on the 2 March 2026, you should receive this within 2 working days
- all online applicants and those paper applicants that provided an email address will also be sent an offer letter by email from the admission service after 5pm on 2 March 2026

If you could not be offered a place at any of your preference schools, you will be offered a place at the nearest school to your home address that still had availability after all on-time applications were processed. We strongly advise that you accept the offer unless you have already secured a place at an alternative school. Accepting the offer will not affect your chances of getting a place at one of your preferred schools later on.

Offer responses

You must confirm if you are accepting or declining your school offer by 16 March 2026:

- if you apply online, you can simply log into your eadmissions account and accept or decline. Alternatively, you can complete and return the reply slip enclosed with your offer letter
- if you apply by paper application, you will need to complete and return the reply slip enclosed with your offer letter

Please be aware that the eadmisisons portal will close to offer responses at 11.59pm on the 16 March. You will not be able to accept or decline your offer on eadmisisons after this time.

If you do not respond to your offer the place may be withdrawn and offered to another child.

Waiting lists

If your child isn't offered a place at your first preference school, they will automatically be added to the waiting lists for any schools you ranked higher than the one offered. Your child will not be on the waiting list for any schools that you listed as a lower preference as your application for these schools is withdrawn.

Your waiting list position may change frequently, you can move down as well as up on a waiting list. Your child is ranked against the school's admissions criteria and their position might change each time another child is added or removed from the waiting list. The length of time on a waiting list does not give any priority.

If you change address, you must inform the admissions service as this will affect your position on the waiting list. You must be living at the new address before your application can be updated and proof may be required. If an offer is made based on an incorrect home address it will be withdrawn.

After national offer day you can add your child to the waiting list for any school, but please be aware that most schools will have offered all of their places to children that applied on time. Places will only become available at these schools when an offer is declined. If you wish to amend the schools listed on your application or add other schools, please email your request to the admissions service: mainroundadmissions@ealing.gov.uk.

High school offers

Late Offers

Applications and offers continue to be coordinated by the council until the end of the summer term. For schools in the borough of Ealing please see the below timetable. During the late offer rounds, any applications or changes received after the closing date will not be included until the following round.

Round	Closing date	Offer date
Round 2	Friday 20 March 2026	Thursday 26 March 2026
Round 3	Friday 17 April 2026	Thursday 23 April 2026
Round 4	Friday 1 May 2026	Thursday 7 May 2026
Round 5	Friday 15 May 2026	Thursday 21 May 2026

After 21 May offers will be made every Thursday during term time for new applicants and children on a waiting list, if a place becomes available.

For schools located outside Ealing, offers will be passed on to you once they are received from the relevant local authority.

Appeals

You can make an appeal to each school where your application has been unsuccessful. Appeals are heard by an independent panel. The school will explain to the panel why the place could not be given, for example, the school doesn't have the resources to accept additional children. At the hearing, you'll have the opportunity to explain either that the school's published admissions criteria were not applied correctly, or that the reasons for offering your child a place outweigh the potential impact on the school.

Schools in the borough of Ealing

For the schools listed below you can download an appeal pack from the school appeal pages on our website www.ealing.gov.uk/schoolappeals.

- Alec Reed Academy
- Brentside High School
- Dormers Wells High School
- Ealing Fields High School
- Elthorne Park High School
- Featherstone High School
- Islip Manor High School
- Villiers High School

For all other schools, please contact the school directly or visit their website for information on how to appeal.

Schools outside the borough of Ealing

To appeal for a place at a school outside the borough of Ealing, you will need to contact the council for the borough where the school is based or visit their website for information. Contact details for our neighbouring boroughs can be found on page 54.

Independent advice

Independent advice on appeals can be sought from the Advisory Centre for Education and Coram Children's Legal Centre. Contact details for both can be found on page 54.

This is a summary, for the full policy please visit the school website.

Places are reserved for children with an Education, Health and Care Plan naming the school.
If there are fewer applications than remaining places, offers are made to every child that applies.
If there are more applications than places available offers are made in the following order:

1. children who are looked after or were looked after immediately before adoption, a child arrangement order, or special guardianship order. This includes children who appear to the admission authority to have been in state care outside of England prior to adoption
2. children of all staff, where the member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made or where the member of staff has been recruited to a post where there is a demonstrable skill shortage
3. 10% of places for children showing an aptitude for music. Places will be allocated in order of ranked assessment score. In the case of a tie, on score, priority will be given according to distance from home to the school
4. children with a sibling already on-roll at Ada Lovelace CofE High School when they apply. A sibling relation does not apply when the child currently on roll will leave the school before the sibling starts. Sibling means a whole, half, step, foster or adopted child resident at the same address
5. other children, with priority given to those living closest to the school. Distance is measured in a straight line from a point in the property determined by ordnance survey to the centre point of the school site, Easting 518492 Northing 181419

Tie break

If children under the same criteria have an equal distance, and tie for the last place, an offer will be made by random selection. In cases where twins, multiple birth siblings or siblings in the same year tie for the last available place, then both or all will be offered.

Specialist music places

To apply for a specialist music place, you must complete the specialist music place application form on the school website by 4pm on Friday 26 September 2025. You must also list the school as one of your preferences through the coordinated admissions process.

All specialist music applicants will be invited to attend round one of the music aptitude assessments. Your child's score will be issued with news as to whether they have been invited to attend round two of the process. Your child's round two score will then be added to their round one score, and you will be informed of your child's ranked position for a specialist music place. Letters containing this information will be sent out during October.

Waiting list

Children who cannot be offered a place will remain on the waiting list until the end of the school year. Waiting list positions are maintained strictly in the order of the admissions criteria. The length of time on a waiting list does not give any priority.

Ark Schools must approve the headteacher's assessment process and designation of such posts. Priority will be limited to one place per form of entry, meaning six places for a year group that has six classes
5. the remaining places will be allocated according to distance as follows:
   - zone A: One-third of places will be prioritised for children who live closest to the school. Distance is measured by straight line from a point in the property determined by ordnance survey to the main entrance of the academy
   - zone B: Two-thirds of places will be prioritised for children who live closest to the Acton Old Town Hall, High Street, W3 6LE. Distance is measured by straight line from a point in the property determined by ordnance survey to the centre of the postcode for the Acton Old Town Hall

Where the number of remaining places is not divisible by three, the percentages will be rounded to the nearest whole number. For in-year admissions from 1 September, children with the nearer distance from either site will have priority for admission.

Islip Manor High School

Islip Manor High School admissions criteria

This is a summary, for the full policy please visit the school website.

Places are reserved for children with an Education, Health and Care Plan naming the school. If there are fewer applications than remaining places, offers are made to every child that applies. If there are more applications than places available offers are made in the following order:

1. children who are looked after or were looked after immediately before adoption, a child arrangement order, or special guardianship order. This includes children who appear to the admission authority to have been in state care outside of England prior to adoption
2. children who, at the time of admission, will have a sibling attending the school. For this purpose, sibling means a whole, half, step, foster or adopted brother or sister that live within the same family unit at the same address
3. children with exceptional medical circumstances. Medical circumstances must relate to the child, and parents will need to provide supporting evidence from the child's consultant at the time of application
4. children with exceptional social circumstances. Parents must provide details of the special personal circumstances, an explanation of why the circumstances necessitate attendance at the school and a letter from an appropriate professional, for example a social worker, at the time of application
5. other children, with priority given to those living closest to the school. Distance is measured in a straight line from a point in the property determined by ordnance survey to the nearest gated entrance which is used by pupils to enter the school grounds

Tie break

If children under the same criteria have an equal distance, and tie for the last place, an offer will be made by random selection.

Specialist sports places

15 of the year 7 places are made available for students with an aptitude for sports who will be enrolled on the Future Stars Sporting Excellence Pathway. To apply you must complete the specialist sports application form by 3 November 2025 in addition to completing the common application form naming Islip Manor High School. Applicants will be invited to selection events which will assess and rank them on their sporting ability. Further details of this will be available on the school website in the form of a Specialist Sports Admissions Information Leaflet for Parents and a Specialist Sports Application Form.

Waiting list

Children who cannot be offered a place will remain on the waiting list until the end of the school year. Waiting list positions are maintained strictly in the order of the admissions criteria. The length of time on a waiting list does not give any priority.

2. Catholic children with a Certificate of Catholic Practice with a sibling at the school at the time of application
3. Catholic children with a Certificate of Catholic Practice attending the following primary schools:
   - Holy Family Acton, Mount Carmel Ealing, Our Lady Greenford, St Anselm's Southall, St George's Sudbury
   - St Gregory's Ealing, St John Fisher Perivale, St Joseph's Hanwell, St Raphael's Northolt, St Vincent's Acton
4. other Catholic children with a Certificate of Catholic Practice
5. other Catholic siblings, those unable to supply a Certificate of Catholic Practice
6. other Catholic children
7. other children who are looked after or were looked after immediately before adoption, a child arrangement order, or special guardianship order. This includes children who appear to the admission authority to have been in state care outside of England prior to adoption.
8. Catechumens and members of an Eastern Christian Church
9. children of other Christian denominations and children of other faiths whose membership is evidenced by a minister of religion or other religious leader
10. any other children

Children of members of staff who have been employed at the school for two or more years at the time of application, or the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage, will be placed at the top of the category in which the application is made.

Within each criteria priority will be given to children who live the shortest distance from the school. The distance from home to the school is measured by straight line from a point in the property determined by ordnance survey to the main gate in Greenford Road.

Tie break

If children under the same criteria have an equal distance, and tie for the last place, an offer will be made by random selection. In cases where only one place is available and twins, multiple birth or siblings in the same year tie for the last available place, then both or all will be offered.

Supplementary information form

You should complete the supplementary information form on the school website by the closing date. Catholic applicants applying under criteria 2, 3 and 4 must also submit a completed Certificate of Catholic Practice by the closing date.

Places are reserved for children with an Education, Health and Care Plan naming the school. If there are fewer applications than remaining places, offers are made to every child that applies. If there are more applications than places available offers are made in the following order:

1. girls who are looked after or were looked after immediately before adoption, a child arrangement order, or special guardianship order. This includes children who appear to the admission authority to have been in state care outside of England prior to adoption
2. girls who have ever had a sister attend the school. For this purpose, sibling means a whole, half, step, or adopted sister that lives within the same family unit at the same address.
3. girls with a parent employed by the school for two or more years at the time at which the application for admission is made
4. girls who suffer from a confirmed medical condition or with traumatic incidents in their background where the admissions panel accept a professional recommendation that the pupil should attend the school rather than any other school. Parents will need to submit a case supported by appropriate evidence from a doctor, a social worker or similar professional
5. a total of 21 places for girls showing an aptitude in the following specialist subjects; 4 places for music, 5 places for drama, 4 places for modern foreign languages, 4 places for visual arts and 4 places for sports. Places will be allocated in order of ranked assessment score
6. other children, with priority given to those living closest to the school. Distance is measured in a straight line from a point in the property determined by ordnance survey to the nearest gated entrance which is used by pupils to enter the school grounds

Tie break

If children under the same criteria have an equal distance, and tie for the last place, an offer will be made by random selection.

Specialist places

Children applying for a specialist place must complete the specialist place application form and attend the assessment. The specialist application form may be completed either online or by post on the school website by the closing date stated. You must also list the school as one of your preferences through the coordinated admissions process. We recommend that parents only apply for one specialist subject. If you do apply for more than one specialism your child will only be placed on the list for the subject where they attain the best result from the assessment.

Twyford CofE High School

Twyford CofE High School admissions criteria

This is a summary, for the full policy please visit the school website.

Of the 190 places available, 150 are designated as foundation (Christian) places. 21 are designated as world faith places and 19 are designated as specialist music places.

Places are reserved for children with an Education, Health and Care Plan naming the school. If there are fewer applications than remaining places, offers are made to every child that applies.

If the number of applications in any of the designated categories is less than the number of places available, the remainder will be transferred. For example, if the number of applications for foundation (Christian) places is less than the places available, the remaining places will be transferred to the world faith category.

If there are more applications than places available offers are made in the following order:

1. children who are looked after or were looked after immediately before adoption, a child arrangement order, or special guardianship order. This includes children who appear to the admission authority to have been in state care outside of England prior to adoption
2. children of all staff, where the member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made or where the member of staff has been recruited to a post where there is a demonstrable skill shortage. Places will be allocated under criterion 1 and 2 proportionately from the Foundation/World Faith categories. The number of places available in these categories will be reduced accordingly
3. 19 places for children showing an aptitude for music. Places will be allocated in order of ranked assessment score. In the case of a tied score, priority will be given according to the distance from home to the school
4. total points scored from attendance of families at a public place of worship. Where applicants have the same number of points the following criteria will be used as a tie break:
   (a) children with a sibling at the school. Sibling refers to all blood, half, step, adoptive and foster children who live at the same home address as the child already attending and will still be attending the school at the time of the sibling's admission
   (b) children living in the Ealing Deanery area
   (c) children living in the Brent & Harrow Deanery areas
   (d) children living in the Hillingdon Deanery area
   (e) children living outside the above Deanery areas
5. Children that have the school listed on their application but have not provided a supplementary information form. priority will be given according to the tie break criteria above

Distance from home to school will be used to prioritise applications within each criterion. Distance is measured in a straight line from a point in the property determined by ordnance survey to the nearest gated entrance which is used by pupils to enter the school grounds.

Tie break

If children under the same criteria have an equal distance, and tie for the last place, an offer will be made by random selection.

Twyford CofE High School

Children from multiple births

The school does not give priority under its admission criteria for twins, triplets or other children from multiple births. However, the school will endeavour, wherever possible, not to separate these children.

Foundation (Christian) places

Points are awarded for the length and frequency of voluntary attendance of the child and parent at services of the Church of England, or churches in communion therewith, including Sunday School, or Christian Churches affiliated to Churches Together in Britain & Ireland or the Evangelical Alliance. An application with a reference from a church which is not affiliated to either of these bodies will score zero points. An additional point will be awarded for attendance at the Church of England as the main place of worship.

World faith places

Points are awarded for the length and frequency of voluntary attendance of the child and parent at services of the major non-Christian world faiths. For this criterion major non- Christian world faith is defined as Muslim, Hindu, Sikh, Buddhist or Jewish. Applications which are not from these faiths will score zero points.

Points score system

Length: Up to five points are awarded to both the child and parent for attendance over at least the last five years, one point each for every year.

Frequency: Up to five points are awarded to both the child and parent on the frequency of attendance over the last five years. Weekly five points, three times a month four points, fortnightly three points, monthly two points and occasionally one point.

An additional point will be awarded for attendance at the Church of England as the main place of worship.

Length of attendance	Points given for each child	Points given for parent	Frequency of attendance	Points given for child	Points given for parent
5 years	5	5	Weekly	5	5
4 years	4	4	3 times a month	4	4
3 years	3	3	Fortnightly	3	3
2 years	2	2	Monthly	2	2
1 year	1	1	Occasionally	1	1

Maximum points for foundation (Christian) places: 21
Maximum points for world faith places: 20

Twyford CofE High School

Supplementary Information form

You must complete the relevant supplementary information form on the school website and provide a supportive reference from your parish priest, minister, or religious leader to be considered for a foundation or world faith place. This must be received at the school by 4pm on Thursday 23 October. If a supplementary information form and religious reference is received after this date it will be acknowledged but cannot be considered until after offers are made on national offer day.

The supportive religious reference should confirm the length and frequency of attendance of both the child and parent or person with parental responsibility and should be from the place of worship where you regularly attend. If you have changed your place of worship within a period of five years prior to the application, or have more than one place of worship, please also provide a supportive reference from the parish priest, minister, or religious leader at your former place of worship, or from each of the places of worship where you and your child attends.

A parent or child should be defined as a weekly attendee if they are normally at their place of worship at least on the normal day of worship in school term time and at least 50% in the remainder of the year.

Specialist music places

To apply for a specialist music place, you must complete the specialist music place application form on the school website by 4pm on Friday 26 September 2025. You must also list the school as one of your preferences through the coordinated admissions process.

All specialist music place applicants will be invited to attend round one of the music aptitude assessments. Your child's score will be issued with news as to whether they have been invited to attend round two of the process. Your child's round two score will then be added to their round one score, and you will be informed of your child's ranked position for a specialist music place. Letters containing this information will be sent out during October.

2. children with a brother or sister who will still be attending in year 7 to year 11 at the time of admission. The words brother and sister refer to all whole, half, foster, step and adoptive brothers and sisters, not cousins, who live at the same home and in the same family unit on a permanent basis or for most of the time in any calendar year
3. children with a confirmed exceptional medical or social need. Medical circumstances must relate to the child, and parents will need to provide supporting evidence from a consultant who is monitoring the child's condition, not a General Practitioner (GP). Social circumstances must be supported by a letter from a social worker or other appropriate professionally qualified person. Priority under this criterion can only be given for the first preference school

Additional information

Children with Special Educational Needs or Disabilities (SEND)

Most children with special educational needs or disabilities go to local mainstream nurseries, schools, or colleges, where their needs are supported.

Every school has a Special Educational Needs Coordinator (SENCO) who oversees support for children with SEND.

If you think your child may have learning difficulties or special educational needs, it's a good idea to speak to the Headteacher or SENCO when visiting the school you're considering.

If your child has an Education, Health and Care Plan (EHCP):

You do not apply through the usual admissions process.

The SEND Assessment Service will help arrange your child's school place. Your child is required to be admitted to the school that is named in their EHCP. Contact details for the SEND Assessment Service are on page 54 of the guide.

You can find more information about local SEND support at: www.ealing.gov.uk/send

University Technical Colleges and Studio Schools

These are government-funded schools for young people aged 14 to 19.

University Technical Colleges (UTCs) are run by universities and businesses. They focus on one or two technical subjects, alongside core GCSEs like English and Maths. More info: www.utcolleges.org

If your child was born between 1 September 2011 and 31 August 2012, you can apply for a Year 10 place starting in September 2026.

Apply online at www.eadmissions.gov.uk or contact the admissions team for a paper form.

- deadline: 31 October
- offer day: 2 March
- late applications will be processed after 2 March

There are no UTCs or studio schools in Ealing, but you can find a list of those in London at: www.ealing.gov.uk/admissions

Sixth Form Admissions (Year 12)

You need to apply directly to each school for sixth form places — the council doesn't manage this process.

Each school will have its own entry requirements and application process. Check the school's website for details.

For advice on post-16 education, you can contact the Connexions Service — details are on page 54 of the guide.

Additional information

In year admissions
An in-year admission means applying for a school place outside the usual time, such as when your child is already in Reception to Year 11.

You might need to apply in-year if you've moved to a new address, you've moved to the UK from abroad or you want to transfer your child to a different school.

Changing schools mid-year
Switching schools during the school year can be disruptive, especially for secondary pupils.
If your child is studying for GCSEs, other schools might offer different subjects or follow different exam boards.

Before applying to transfer, it's best to speak with senior staff at your child's current school.

If you're new to or returning to the UK
Make sure your child is allowed to attend a state-funded school in the UK. This depends on their visa or immigration status.

Applying for schools in Ealing
Ealing Council manages in-year admissions for most schools in the borough. You can find a list of these schools at: www.ealing.gov.uk/inyearadmissions

Some schools manage their own admissions - for these, you'll need to apply directly. Check the school's website for details.

How to apply
You can apply online at www.ealing.gov.uk/inyearadmissions. You can choose up to three schools that are coordinated by the council.

You'll need to upload:
- proof of your child's date of birth
- proof of your home address (e.g. a council tax bill)

Your child must be ready to start school within 20 days of being offered a place — otherwise, the offer may be withdrawn.

If your child doesn't currently have a school place, you should apply to at least one school that has vacancies. A list of schools with available places is published weekly on the council website.

Applying for schools outside Ealing
Ealing Council only manages applications for schools within the borough. If you want to apply to a school outside Ealing, contact that school or the local council where it's located. They will handle your application and let you know the outcome.

Fair access protocol
The fair access protocol helps make sure that children without a school place - especially those who are vulnerable - are offered a suitable place quickly.

Ealing's fair access panel includes representatives from local schools and is run by the council. They look at each child's situation and decide which school or provision would best meet their needs.

Training days
The above schedule sets out 198 days in total, providing a framework for schools from which five days should be selected as training days or teachers, set by headteachers in consultation with their staff.

Occasional days
The schedule also allows for the 3 occasional day holidays for pupils and staff to be set in consultation with each school's governing body. In considering the dates of these 3 days, governing bodies should take account of the need to observe religious festivals other than Christmas and Easter. These should also be taken from within the 198 days specified in the schedule. Should the occasional days not be required for religious festivals it is recommended that they be used at the end of the summer term 2027.

Please note that the total number of working days for teachers is 195 and for pupils is 190.
