Dear Parents and Carers,

PARENT GOVERNOR ELECTION

We would like to inform you that there will be a **vacancy for a Parent Governor** on the school's governing body after half term.

Parent Governors play an important role in supporting the school. The governing body works closely with the school leadership team to help set the school's strategic direction, ensure accountability, and support the continued improvement of the school. Governors do not get involved in the day-to-day running of the school, but instead focus on areas such as monitoring progress, reviewing policies, and helping to ensure that the school provides the best possible education for all pupils.

This is a **voluntary role**, and governors usually attend a small number of meetings during the year, as well as occasionally taking part in training or school visits.

If you are interested in becoming a Parent Governor, please let the **school office** know. If we receive more interest than there are places available, we will hold a **Parent Governor election**.

Thank you for your continued support of the school.

Best wishes

Mrs Martis
Headteacher
