## (Playing Games)

My name is

\_\_\_\_\_

I go to \_\_\_\_\_  
school.

At school I can play games  
with my friends at playtime  
or lunchtime.

Sometimes when you play games you have to take turns.

This means that everyone gets to play the game, which is fun.

Sometimes when there are lots of people playing it might be hard for everyone to have a turn.

This means that I might not get a turn to play.

This is ok because I know  
that next time I will get a  
turn.

I can say 'It's OK – I'll have  
a turn next time.'

This makes me feel much  
better.
